FOCUS AND SCOPE

The International Journal of Health Science (IJHS) is a peer-reviewed international journal that publishes practices, ideas, and research in all health and nursing sciences or areas of practice from a global perspective. The International Journal of Health Science (IJHS) aims to highlight evidence on Surgical Medical Practice, Pharmacy, Maternity, Child Health, Mental Health, Dentistry, Medical Education, Midwifery, Medicine and Nursing, Health Policy and Management, Community Nutrition, Environmental Health, Epidemiology, Reproductive Health, Health Promotion, Occupational Safety & Health, Other Health Professions for a global audience. The International Journal of Health Science (IJHS) is published three times a year (in March, July, November). Articles published in the International Journal of Health Science include original scientific research results (top priority), new scientific review articles (not priority), or comments or criticisms of writings in the journal. The International Journal of Health Science accepts manuscripts or articles in the field of Informatics and Computer Technology from various academics and researchers both nationally and internationally.

Articles published in journals are articles that have gone through a review process by Mitra Bebestari (peer-reviewers). The International Journal of Health Science only accepts articles that come from original research results (top priority), and scientific review articles that are new (not priority). The decision to accept or not a scientific article in this journal is the right of the Editorial Board based on recommendations from Mitra Bebestari.

JOURNAL INDEXATION INFORMATION

International Journal of Health Science (E- ISSN : 2827-9603, P -ISSN : 2827-959X; <https://ejurnal.politeknikpratama.ac.id/index.php/ijhs> is a peer-reviewed journal which plans to be indexed in several indexers reputable, among others: Google Scholar; Digital Referral Guard (GARUDA), Directory of Open Access Journal (DOAJ).

FOREWORD

The International Journal of Health Science (IJHS) is a peer-reviewed international journal that publishes practices, ideas, and research in all health and nursing sciences or areas of practice from a global perspective. The International Journal of Health Science (IJHS) aims to highlight evidence on Surgical Medical Practice, Pharmacy, Maternity, Child Health, Mental Health, Dentistry, Medical Education, Midwifery, Medicine and Nursing, Health Policy and Management, Community Nutrition, Environmental Health, Epidemiology, Reproductive Health, Health Promotion, Occupational Safety & Health, Other Health Professions for a global audience. The International Journal of Health Science (IJHS) is published three times a year (in March, July, November).

The International Journal of Health Science publishes the only paper that strictly follows guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editor (according to the area of specialization) and will be screened by the Managing Editor to meet the criteria required for publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. The International Journal of Health Science has reviewed forms to keep the same item reviewed by two reviewers. Then the editorial board makes a decision on the comments or suggestions of the reviewers.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept/policy articles, in all fields of Pharmacy, Maternity, Health. Children, Mental Health, Dentistry, Medical Education, Midwifery, Medicine and Nursing, Health Policy and Management, Community Nutrition, Environmental Health, Epidemiology, Reproductive Health, Health Promotion, Occupational Safety & Health, Other Health Professions up to date. The article to be published is an original work and has never been published. Incoming articles will be reviewed by a team of reviewers from internal and external sources. . The International Journal of Health Science (IJHS) is published three times a year (in March, July, November).

The Editorial Board will try to continue to improve the quality of the journal so that it can become an important reference in the development of science. The greatest appreciation and gratitude to Mitra Bestari along with members of the Editorial Board and all parties involved in the publication of this journal.

Regards,

Chief Editor
